Pleasure Excursions.

As the heated term approaches, as cursions in search of pleasure or health become popular. The wealthy citizen goes to Europe, but the majority of those who seek a brief respite from the tread-mill of business make less ambitious trips. There is an anomaly about this excursion business that would be hard to explain. One would suppose that New Englanders, who live almost within sound of the ocean, would prefer to make their annual pilgrimage to the Westerner flux out and the twenty and the westerner flux out and the westerner flux and Pleasure Excursions. by way of the Mississippi river or vice that the Government will demand satis combine to make a trip of this kind most | Vera Cruz for reliable facts. uteresting and instructive. From St. made by the French missionaries, to the Falls of St. Anthony, the tourist who has studied the early history of the Mississippi Valley meets at almost every bend of the river something that brings the moldy past down to the living prescalls the superstitious fears of the aboriginals; at the mouth of the Illinois river he must think of the indomitable courage, the sad trial and sadder fate of La Salle; at Des Moines be will re pember that there white men first trod ner of Christianity for the first time on the banks of the Upper Mississippi. As the wonderfully constructed and lux- with the Sioux and Cheyennes, whereuriously furnished modern steamboat plays the water swiftly past the mouth | wiped out. of the Wisconsin at Prairie du Chien. it will remind him that two hundred years ago in the month of June, when the islands in the river and the hills on

to pass the summer solstice on the wing, THE ex-rebel General Jeff. Thompson has written a letter to George D. Prentice, approving General Longstreet's reding: "The Confederate government wiped out state rights the first year of its existence—a bloody war wiped out slavery, and wiped out the Confederacy, se they are obsolete ideas; and the piain question now presented is, Will you accept citizenship under our terms, as contained in this law? and I emphatically answer Yes! Let each and every white man in the South say: 'Abstract ideas or obsolete theories shall not govern me. for I will look facts in the face as they exist, and make the best out of the future, without moping over past. It is not to be presumed that I shall be asked

and the arms of France were rudely

eugraved by the first explorers, and, i

no person, not already a voier, shall become such unless he can read and write. With such discreet limitation, suffrage in the State will undoubtedly be made universal, that is as to make no one Haute, on Thursday, universal, that is as to makes—no one supposes that New York will yet break ground for female suffrage. It will be ground for female suffrage. It will be a powerful example to have New York the occupants of the seamer in noder arrest.

A little boy five years old, at Cleveland, the operation of the rule will help to solve the problem of popular govern, producing a fearful exploration of originate in the problem of popular govern and scalding him hadly.

stories we have read for a long time has running through the numbers of Littell's Living Age and is now published in bound form for

promoter of vior, although this proposition has sometimes been questioned, and within a few years by high dignitaries in the British Parliament whose interest did not hasmoniae with the education of the masses. We shall not stop to argue a question so sactisfactorily determined, whatever exceptional indicate, that crime and ignorance are intimately connected. Those who object to this proposition as a general truth, judging

FORTIETH CONGRESS.

The State Teachers' Association recoully held at Springfield, Ohio, was largely attended and marked by unsual interest. The chief subject of discussion was that of Normal Schools and County Superintendence. It was brought for ward in a report from Mr. Henkle who was Chairman of a Committe appoint and the Legislature on the subject, The following is a summary of the proposed bill, which would probably have passed the Legislature last winter, had all the members been present:

That there shall be chosen in each county as selection of School Boards, and by ballot, to correct the service of School Boards, and by ballot, to correct the service of School Boards, and by ballot, to correct the service of School Boards, and by ballot, to correct the State Superintendent. That there shall be chosen in each county as selection, if the local Boards fail to elect, the State Commissioner shall appoint for one year.

That the Superintendent shall sective a criticate from the State Superintendent, and give bonds in the sum of \$5.000 for the section of School Boards, and by ballot, to correct the section was selected to the support of the section of School Boards, and by ballot, to correct the service of the section was selected to the service to the service of the section of School Boards, and by ballot, to correct the service of the s

Mr. Anthony effered the following extreme dryness, which we have not had the extreme dryness, which we have not had the equal of in many years. Several heautiful bunches of fruit attracted our attention from the different appearance of the berries, and, on passing them through the fingers, more than half of them dropped off. We then lightly shook severl vines, when the grapes rattled down in profusion. This, no doubt, is occasioned by a lack of maisture in the grapes rattled down in profusion. This, no doubt, is occasioned by a lack of maisture in the grapes and that further legistation at this session on the subjects is not expedient.

After considerable debate this resolution was adopted; yeas 23; nays, 9.

House.—The Speaker announced as the Committee on. Reconstruction, Messra Stevens, Boutwell, Bingham, Farnsworth, Hulburd, Selye, Beaman, Paine, Pike and Brooks.
